SWS/ADM/2021-22/3A

Dear Parents,

Greetings from Smart Wonders!

The academic session 2020-21 has come to an end with the students and the teachers reflecting upon learning's from the year that has gone by. The session 2021-22 will be focused on celebrating our achievements and expanding our horizons in the teaching learning process. The students shall be embarking on a new adventure and we wish them all the best for the same!

As you know we were ready to open school for classes UKG-10 in the Online, Offline and Hybrid teaching model from 7th April 2021. We have prepared all the classes for both Offline and online mode and the school is following all the COVID protocols. The situation however has changed again and as per the latest guidelines issued by the Punjab Government children cannot come to school till 10th April. We have decided to go back to conducting online classes in the 1st quarter i.e. April-May and in the month of June we have the summer vacations.

The Online classes started from 23rd March for Classes 9-10 and from 7th April for Classes UKG-8. The time table for the same has been shared via Whatsapp. Additionally, before the start of the 2nd quarter, we will review the situation again as per the Government guidelines and also attain new feedback from all the parents for their preference on online/offline classes and depending on the information received; we will resume our hybrid teaching model.

We would like to inform you that according to the Supreme Court ruling apart from the Tuition Fee, we can charge the Annual and Activity fee for the session 2020-21 also. However, as a goodwill gesture we are waiving off the Annual and Activity charges of the previous session 2020-21.

The Court has allowed full fee collection for the Academic year 2021-22. However, in the session 2021-22 discount of Rs. 2000/- in the Annual charges will be given to all the students in the Fee Challan for the first quarter only (April-May-June). This policy will be reviewed at the end of the quarter.
