SWS/ACD/2021-22/4

Dear Parents,

Greetings from SWS!!

Periodic Assessment is an integral part of a school's calendar and plays an important role in bringing academic excellence. It helps to revise the syllabus and makes learning more effective. We have decided to conduct periodic assessments on a regular basis this year in the online mode also. An assessment of 25 Marks each will be conducted from 19th April onwards. The Date Sheet along with the procedure to conduct the online assessment is shared below.

Laptop/Desktop with functional web camera and an attached Scanner to convert the answer sheet into PDF file or a Smartphone with a Document scanner preinstalled on it. If laptop or Desktop is not available two Smart phones or Tab can be used, one for joining the Google meet to enter the class and second one to attempt the paper (since by phone if we navigate from Google meet to Google class the video switches off).

To take the PA follow the listed points:

1. Open your Google Class room and Click on the Meet Link to join the Class. Time to join the meet is 07:55 am Sharp.
2. Mark the attendance and listen to the Instructions given by the invigilator carefully.
3. A form link with the pdf of the question paper will be posted in the Google Classroom stream Page.
4. Open only the pdf file first and start attempting the questions.
5. Click the pictures of the answer sheets and convert them into a single pdf file.
6. Open the Google form, fill in the details and attach your answer sheet using 'Add file' given at the bottom of the form. Click submit to submit your answer sheet before 09:00 a.m.
7. **One hour (08:00 a.m. to 09:00 a.m.) is inclusive of reading the question paper, attempting and submitting of the answer-sheet. Try to manage your time by attempting the answers in 45 minutes and upload the answer-sheet in remaining 15 minutes. No extra time will be given. Students are not allowed to switch off the video during the exam.**
