SWS/ACD/2021-22/8

Dear Parent

The school is on its path of progress and so are the children, it's been two months and the students have settled well in their classes. The curriculum is being followed as planned and the students are assessed regularly in the classes and through the Periodic Assessments. We appreciate the efforts put in by them and would like to discuss their progress with you.

The first Parent Teacher Meeting of the session 2021-22 has been scheduled for the students of Classes UKG - 10 on Saturday 22nd May 2021, from 8:00 a.m. onwards.

A specific time slot will be allotted for your child. The time slot will be shared with you through the broadcast message later. We request you to please adhere to the time slot.

Kindly Note:

- a) The meeting will be held in the online mode and parents are advised to log in with their ward's email id in the Google meet.
- b) The time for each parent is 10 minutes. Please ensure that you log in on time and in case of any connectivity issue keep the Class In-Charge informed through whatsapp. You will get another slot and information will be conveyed to you by the teacher.
- c) You are requested to ensure that your child is present with you for the meeting.
- d) Do not enter the virtual class when the educator is interacting with another parent as we believe in giving space and privacy to our parents during PTM.

To make this meeting more effective and meaningful, please do the following: Write all the specific queries you have regarding academics before hand and share the same with the Class-In-Charge.

We are looking forward to interacting with you in the Online PTM. We appreciate your continued support for a fruitful session ahead!

Warm Regards

Poonamjit Kaur
Principal
