SWS/ACD/2021-22/13

Dear Parents,

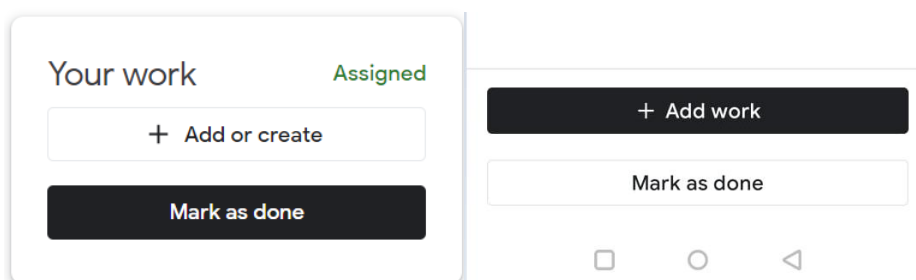

Greetings from SWS!!

Periodic Assessments reinforce the efficacy of teaching and learning. It helps students to remember and recall what has been learnt and helps teachers to understand the level of achievement of the students. It is an integral part of our academic calendar and used as a tool to recapitulate the topics covered in the classes. The second cycle of periodic assessment will begin from Monday, 5th July 2021. Each assessment will be of 25 marks. The Date Sheet along with the procedure to conduct the online assessment is being shared again with you.

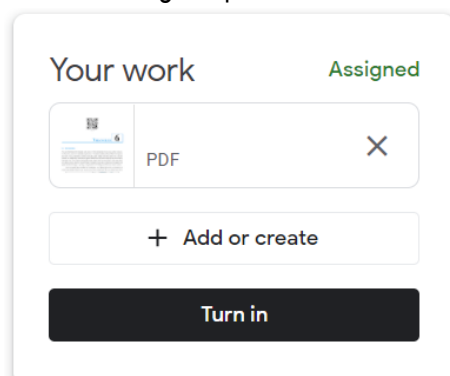

Your ward would need a Laptop/Desktop with a functional web camera and an attached Scanner to convert the answer sheet into PDF file or a Smartphone with a Document scanner pre-installed on it. If a laptop or desktop is not available, two Smart phones or Tab can be used, one for joining the Google meet to enter the class and second one to attempt the paper (since by phone if we navigate from Google meet to Google class the video switches off).

To take the PA follow the following points:

1. Open your Google Class room and Click on the Meet Link to join the Class. Time to join the meet is 07:55 am Sharp.
2. Mark the attendance and listen to the Instructions given by the invigilator carefully.
3. The pdf of the question paper will be shared as Google Classroom assignment.
4. Open the pdf file and start attempting the questions.
5. Click the pictures of the answer sheets and convert them into a single pdf file.
6. Open the assignment and click **+ Add or Create** (in laptop/desktop) or **+ Add Work** (in smartphone) to attach the pdf file as shown below:

7. After attaching the pdf of the answer-sheet, click **Turnin** to submit the answer-sheet.

8. Answer-sheet to be submitted before 09:00 a.m.
9. One hour (08:00 a.m. to 09:00 a.m.) is inclusive of reading the question paper, attempting and submitting of the answer-sheet. Try to manage your time by attempting the answers in 45 minutes and upload the answer-sheet in remaining 15 minutes. No extra time will be given. Students are not allowed to switch off the video during the exam.
