Dear Parent

Assessments are an integral part of the teaching-learning process. We have successfully completed two rounds of Periodic Assessments. As it is important for us to determine the level of learning that has taken place in the first half of the year, i.e. Term 1, therefore it is time for the Half Yearly Assessments to be conducted. We expect our students to attempt these assessments in all earnestness and seek your support too. The value of honesty and integrity is extremely important, we request all the parents to ask their wards to do the assessment on their own.

We are sharing the process and the date sheet below.

**Plan for the Mid-Term Assessment August -September 2021**

The Mid-Term Assessments for the students of Class 3-5 are scheduled from 1<sup>st</sup> September to 11<sup>th</sup> September 2021. The assessment will be in 2 parts- Subjective & Objective. The Subjective assessment will a written (pen & paper) test and the Objective assessment will be taken in Google Form (MCQs). After the Mid-term Assessments, we will be sharing the result and conduct an offline PTM (in school) on 18<sup>th</sup> September, 2021 to discuss the progress of your child.
