SWS/ACD/2021-22/25

Dear Parents,

Greetings from Smart Wonders!!!

We are pleased to share with you that we are ready to welcome our children of class 5-8 in school for hybrid classes (online and offline) simultaneously from 4th October 2021 onwards. Students of the classes 9-10 have already been attending school in the hybrid mode since 15th September. In the hybrid mode children get a chance to study under the direct supervision of the teacher in school and they have access to same class in the online mode also. We have received a positive feedback from our parents of 9-10 for these classes. We have made COVID appropriate arrangements and expect all stakeholders to follow them for the safety of the students.

Please ensure that your ward:

- Comes to school on time.
- Wears a well fitted mask at all times.
- Wears proper school uniform and the ID – Card.
- Practices COVID safe etiquettes of sneezing, coughing and washing hands.
- Follows the protocols of social distancing, hygiene and sanitation.
- Must carry tissues instead of cloth handkerchief.
- Must not share any stationery, food, water bottle and seat.
- Must carry water bottles and lunch box from home. Refill of water bottle is available in school.
- Must carry books, notebooks (as per the Time Table) and stationery for personal use.
- Must use sanitizers after using the washroom.
- Inform the teacher immediately if not feeling well.
- Must not move out of the class without informing the teacher.

The school will not offer canteen services to avoid the possibility of infection.

Students would be expected to eat their tiffin at their respective seats before going out. No change in seating arrangement would be allowed during breaks or otherwise.

Monitor your child's health and send the child to school only when he/she is healthy.

As stated earlier, transport facility will not be provided. Kindly make your own arrangement to pick and drop your ward. If you allow your ward to commute on his/her own then send a permission letter stating the same to the class teacher. No child will be allowed to commute alone without a permission letter from the parent.

Classes 5-7 are allotted Gate no -2 (Bus Gate) and Classes 8-10 are allotted Gate No-1 (Reception) for arrival and dispersal. Please drop and pick your ward accordingly.

Arrival Time: 8:00 a.m. Keeping in view the health screening procedures at the school gates, the gates would open 15 minutes prior to the given school timing.

Dispersal Time: 1:10 p.m. It is important for the parents to carry their Identification Card (in Red ink) at dispersal time. ID cards for pick up of students have already been shared. These are to be brought compulsorily for pickup. Only one parent will be allowed to enter the gate at the time of the dispersal. Parents are requested to maintain social distancing when visiting the school.

Time Table to be followed from 4th October 2021 is being shared along with this Circular.

Looking forward to meeting our children in school.

Warm Regards
