

SMART WONDERS SCHOOL

Monday, 8th November 2021

SWS/ACD/2021-22/30

Dear Parents,

Greetings from Smart Wonders!

Smart Wonders School takes pride in announcing **the launch of the School Pad for the Parents**. This is the further initiative taken by the school's side to ensure that there is a clear and defined method for sharing and receiving information from the parents to the school and from the school to the parents.

The **school Pad** will work in a process similar to the Parent login process. Using your parent login ID and password you will be able to log into the **mobile app**. **Your username will be your ward's admission number. Password will be 'schoolpad' in small letters. School Code for the same is 991000**

Note:- Kindly change the password after the login (**mandatory**)

The mobile app will give you quick on the move access to the daily homework , weekly or monthly notes, monthly newsletter , daily attendance , messages and important circulars, etc. With the click of a button the school tuition and transport fee can also be paid with the mobile app.

For the fee payment of Qtr-4 (January 2022 to March 2022) you can pay the fee through **schoolpad** platform. In case of any query kindly contact at 9888315301.

Following links can be used to download the application:

Android Phone user : <https://play.google.com/store/apps/details?id=schoolpadcombined.schoolpad.app>

Iphone user : <https://apps.apple.com/in/app/schoolpad-app/id1434227114>

Warm Regards

Poonamjit Kaur
Principal
