

**Smart Wonders School**  
**Final Term Assessment 2021-22**

Monday, 7<sup>th</sup> February 2022

SWS/ ACD/ 2021-22/39

Dear Parent

**You will be pleased to know that the Punjab Govt has allowed schools for classes 6 onwards to open from 07.02.2022.** We had already received an overwhelming response for our offline/hybrid classes which were held during the months of October to December 2021. As per the feedback received last time, most of the parents had shown keenness to send their ward for the offline assessments. So we have decided to conduct Final Examination for classes 6- 9 and Pre Boards for class 10 in the offline mode. We assure you that our campus is sanitized on a regular basis and all staff members are already doubly vaccinated. We will be following COVID-19 appropriate behavior and social distancing norms while conducting examination in the offline mode.

As per the initiative of the Punjab Government, it is decided to vaccinate all children in the age group of 14+ category. To provide a safe and secure environment to our students during vaccination a camp will be organized at our school also, where walk in registration will be allowed to the eligible children who have completed 14 years as on 31<sup>st</sup> Dec 2021. We have already collected information and are in the process of organizing the camp. We have around 40 students of classes 9 & 10 who are already vaccinated and we have received a request for vaccination in school from more than 60 students. We are not opening school immediately for the physical classes as we want all children in the 14+ age category to at least get one dose of vaccination, this way we will ensure safety for them as well for others who have yet to get vaccinated (less than 14+ age)

**We have decided to change the mode and dates for the examination for classes 6-10. Now the examination will be conducted in the offline mode for classes 8-10 and begin from 18<sup>th</sup> February 2022. Classes 6, 7 will also appear in the offline exam, however date sheet will remain the same. Classes 2-5 will appear in the online examinations and there is no change in the date sheet for these classes.**

The classes 8-10 will have Preparatory leave/ Remedial/ Practical etc from 12<sup>th</sup> February to 17<sup>th</sup> February 2022. A detailed schedule for remediation/ practical for these classes will be intimated to you by the class educator. Classes 6-7 will be following the same revision schedule and date sheet as shared earlier.

Please Note that in case you feel that due to medical reasons your ward should be given an isolated room for appearing in the offline exam then let us know in advance so that proper arrangement can be made. We are sharing with you the revised date sheet for classes 6-10 for the offline assessments.

Reporting Time: 8:30 am.

Dispersal Time: 12:15 pm.

**\*Buses will not ply. Kindly make own arrangements.**
