SWS/ ACD/ 2021-22/45A

Dear Parent

Greetings from Smart Wonders!

“Together may we give our children the roots to grow and the wings to fly”.

The session 2021-22 has been filled with its unique achievements where school became hybrid and all academic and co-curricular activities were done in a hybrid mode. We reverted to online teaching in between to prevent the spread of Covid-19 as per the guidelines issued by the Govt. We had welcomed our children in school for offline classes when normalcy returned. Whether classes were offline, online or hybrid the learning did not stop. The curricular, co-curricular activities and assessments were conducted effectively to give an enriching experience to all our learners. We are proud to announce the successful completion of our session which will be culminated in an offline PTM on Saturday, 12<sup>th</sup> March 2022 for the students of class 6 to 10.

To share the progress of each student with the parent a separate time slot of 10 minutes is kept. We request you to utilize this opportunity and have a fruitful interaction about the academic progress of your child. The PTM will be starting at 8.15 a.m. and continue till 3.00 p.m. The separate time slot for each child will be shared by the class in-charge along with the circular. Please adhere to the allotted time in order to conduct the meeting smoothly.
