

SMART WONDERS SCHOOL

Saturday, 9th April 2022

SWS/ACD/2022-23/4

Dear Parent

Greetings from Smart Wonders!

We are pleased to receive all our children back in school. We have started with our full fledged time table and Periodic Assessment (PA). It is an integral part of a school's calendar which plays an important role in bringing academic excellence. It helps to revise the syllabus and makes learning more effective. An assessment of 25 marks each will be conducted from 18th April onwards. The Assessment will take place in the offline mode for all the children who have opted for offline mode (class 6 to 10) and online mode will be available to those who are attending classes in the online mode (from class 6 to 8 only). The children who will be appearing in the online assessment will get link for the Google class to attempt their assessment. Kindly find the date-sheet attached below.
