From the Principal's Desk

"Change can be scary, but you know what's scarier? Allowing fear to stop you from growing, evolving, and progressing."

~Mandy Hale

We have reached the end of this wonderful session and I am grateful for everything that we have achieved this year. Despite the pandemic and the challenges that it posed, the learning didn't stop, we adapted to the situation and kept moving forward.

Whenever the government guidelines permitted us, we conducted classes in the Hybrid mode wherein some students attended the classes in the offline mode with their parent's consent and the others attended the classes in the digital mode in the comfort of their house.

"Each new day is a blank page in the diary of your life. The secret of success is in turning that diary into the best story you possibly can." ~Douglas Pagels

Our children have passed the exams with flying colours and now it's time to rest and refresh before the beginning of the new session. We are excited for the new term and are hopeful that the situation remains well as we have many exciting activities planned for the students. We want to provide them with all the opportunities that will help our pupils in achieving their maximum potential and gain knowledge.

Before the commencement of the new session, the educators gear up to welcome the students for the new session. They participate in various interactive teacher-training programmes that equip them with all the necessary tools and knowledge required for the teaching-learning process. These sessions enhance their pedagogical skills and make sure that they are at par with the requisite academic standards.

I am also pleased to announce that our Class 10 students gave a stellar performance in the CBSE Term 1 examinations. A total of 71 students appeared for the exams and 22 students scored more than 90%. I am proud of my students and teachers and am sure that they will make us proud in the future too.

Concluding on a positive note, I am thankful to my students, parents and staff for all their trust and support this session and wish that the bond grows stronger. Here's looking forward to lots of learning and a successful session!

Warm Regards,
Poonamjit Kaur
