

SMART WONDERS SCHOOL

Monday, 16th May 2022

SWS/ACD/2022-23/13

Dear Parent

Greetings from Smart Wonders!

It has been almost two months since we opened our school for offline classes and the students have settled well in their classes. Students are happy to be back to school and delighted to unite with their friends and teachers. The curriculum is being followed as planned and the students are creatively engaged in various clubs and house activities. Children were assessed regularly in the classes and through the Periodic Assessments also. We appreciate the efforts put in by them and happy that children were trained well to appear in the offline tests.

To discuss the progress of your child so far, A Parent Teacher meeting has been scheduled for the students of Classes 6 - 10 on Saturday, 21st May 2022 from 8:00 a.m. onwards.

A specific time slot is allotted to your child and shared with this circular. The time slot will be shared with you later through the broadcast message also. Please adhere to the time slot.

Please note-There is a Book Fair on display in the basement (in front of the AV hall). Please visit the fair with your ward.

We are looking forward to interacting with you in the offline PTM. We appreciate your continued support for a fruitful session ahead!

Warm regards

Poonamjit Kaur
Principal
