

SMART WONDERS SCHOOL

Classes 3 - 10

Thursday, 19th May 2022

SWS/ACD/2022-23/14

Dear Parent

Greetings from Smart Wonders!

As you are aware the soil of our planet is degrading rapidly and causing the quality and quantity of food that we are producing to go down. As a result:

- Scientists predict that we would be facing severe food shortage in the coming years, unless we act now.
- For this global movement **#SaveSoil** movement has been launched, where all citizens of the world are coming together and voicing their support to bring strong policies to save soil.
- We are requesting students to write a letter to the PM, as it's one of the most effective way to reach the policymakers to take effective decisions in this direction.
- SWS in collaboration with Isha Foundation is joining hands for this noble cause.
- The students have to write a letter to the PM talking about Saving Soil for the future generations.
- You may download the attached template and submit to Class teacher

The topic will be discussed in the class and a video will be shown on the topic of Save Soil.

The students can take any sheet of A4 size or use the template provided for the letter writing.

Video on Save Soil : https://youtu.be/Ib7_4YYEkCY

Expecting a great response from all our students for this noble cause

Warm regards

Poonamjit Kaur
Principal
