

SMART WONDERS SCHOOL

Friday, 27th May 2022

SWS/ACD/2022-23/16A

Dear Parent

Greetings from Smart Wonders!

For the past two months, we enjoyed being with our children in school and they also loved to come to school. Summer break is a leisure time and children wait to unlock individual creativity by making the most while spending time with their family and friends. So, let's make a joint effort to make this period a fruitful and happy period for them. To ensure that the children have constructive holiday, thought provoking holiday homework and projects have been given. These projects can easily be done by the children and you could assist only where required. You can download the Holiday Homework from the school pad for your convenience. We have already shared a hard copy of the same with children.

The school will remain closed from 28th May to 3rd July 2022 for summer break. **As there are cases of dengue fever spreading across the country we would appreciate students and parents to be cautious and follow the precautions being shared with you as an attachment with this circular. Kindly read it along with your child to bring awareness and be safe from dengue.**

We are sharing with you the Date sheet for the Periodic Assessment to begin from 4th July.

DATE-SHEET –PA 2			
DATE	Class 6	Class 7	Class 8
04.07.2022	Math	Pun/French	Hindi
