Dear Parent

Greetings from Smart Wonders!

Good spelling skills help the students in improving reading ability, vocabulary and language skills. To motivate our students to practice spellings, **an Inter-House English Spell Bee Competition- 'What's the good word?'** is being organized this month.

Students need to practice spellings and meanings of not so familiar words from the lessons given below. They can refer to the following chapters in English literature book for practice:

- **Ch.1- Twelve Silver Cups   Ch.2 – Mountain Mona   3. Poem –My Shadow**

Round No.	Date of conduct	Format of competition	Participation details
Preliminary round	15 <sup>th</sup> July 2022	Worksheet	Mandatory for all
Final round	22 <sup>nd</sup> July 2022	Spell Quiz (Team of 5)	Selected students from preliminary round

Happy Practicing!

Warm regards
