

SMART WONDERS SCHOOL

Saturday, 9th July 2022

SWS/ACD/2022-23/22D

Dear Parent

Greetings from Smart Wonders!

Trees and forests play a very crucial role in maintaining an ecological balance. Forests play a vital role in our life on Earth. They purify the air we breathe, filter the water we drink, prevent erosion and act as an important buffer against climate change. The 'Van Mahotsav' week is a reminder that we must protect forests and stop deforestation and practice the 3R rule- Reduce, reuse and recycle. With this view an Inter House Quiz Competition will be conducted on for the students of class 7.

| | |
|---|--|
