

# SMART WONDERS SCHOOL

Monday 11<sup>th</sup>, July 2022

SWS/ACD/2022-23/23

Dear Parent

Greetings from Smart Wonders!

Let's move a step ahead towards experiential learning !

As you are aware that NEP(New Education Policy) 2020 has been rolled out and it has highlighted the need for introducing skill education and experiential learning. To give students an opportunity to think beyond the textbooks,CBSE has introduced 10 bagless days in a year for the learners.The purpose of this initiative is to add an element of fun while learning and to give them hands on experience.

The students will be undertaking nature walk, hands on experience, role plays and various fun filled activities based on concepts being done in the class for better understanding.

**Kindly note:**

Day and Date	Class	Instructions:
14 <sup>th</sup> July	3-5	Students to bring their water bottle, tiffin, stationery-box and school almanac only.
15 <sup>th</sup> July	UKG-2	Students to bring their water bottle, tiffin, stationery-box and school almanac only.

Warm regards

**Poonamjit Kaur**  
Principal
