Dear Parent

Greetings from Smart Wonders!

National De-worming Day

The National Deworming Day is scheduled to be observed on 10th August, 2022 and Mop-up day on 17th August, 2022 across the country under the advisory of Ministry of Health and Family Welfare in collaboration with Ministry of Women and Child Development and Department of School Education and Literacy respectively. Intensive awareness generation activities focusing benefits of consuming Albendazole and adopting sanitation and hygiene practices are the need of the hour.

Keeping in mind the safety of our children, we request you to kindly de-worm your child (if the child is not de-wormed earlier) after consulting your family doctor and send us the acknowledgement through the child's school diary.

Thanking you for your support and cooperation.

Warm regards
