Wednesday, 10th August 2022

SWS/ACD/2022-23/29

Dear Parent

Greetings from Smart Wonders School!

The first term is nearing to its end and the term end examinations are commencing from 27th August, 2022. The date sheet for the Mid Term Examination has already been shared with you. The revision schedule shared earlier is being followed in the classes and teachers are revising all the concepts thoroughly.

To provide an opportunity for self study to our students, 26th August is declared as a preparatory holiday for the classes 6 to 10. We are sharing Mid Term Syllabus again with this circular for your reference.

The school will reopen for Term II on 12th September, 2022.

We wish best of luck to all our dear students for the forthcoming examination.

Warm regards

Poonamjit Kaur
Principal
