SWS/ADM/2022-23/42 B.1

Dear Parent

Greetings from Smart Wonders!

The classes have resumed after the Mid-term assessments. The school is abuzz with lots of academic and co-curricular activities. One of our major strengths at SWS is a balanced approach for the all round development of children. Teaching and Assessment is an integral part of learning and periodic assessments (PA) reinforce its efficacy. It helps students to recall what has been learnt and teachers to know the level of understanding of the students. PAs are used as a tool to recapitulate the topics covered in the classes. The third cycle of Periodic Assessment for classes 3-5 will begin from Tuesday, 04.10.22. Each assessment will be of 25 marks. The Date Sheet and syllabus is shared below.
