Dear Sir/Madam,

The Energy and Resources Institute (TERI) invites you to participate in the prestigious environment examination, GREEN Olympiad 2022: India's premier annual environment initiative being organized since 1999. This examination serves a dual purpose of testing the environment quotient of students and enhancing their understanding about sustainable development. GREEN Olympiad is open for students of Std. 4 to 12, and is divided into 4 difficulty levels (Level 1: Std. 4-5; Level 2: Std. 6-8; Level 3: Std. 9-10; and Level 4: Std. 11-12).

Schools are encouraged to apply ONLINE through the link- <https://terigreenolympiad.com>. A videotutorial on how to register can be viewed on the link- <https://youtu.be/Fzkw5sxES8>. The examination will be held ONLINE in October/ November 2022. Last date to register is extended to 12 September 2022.

The examination covers two issues of topical interest: (i) Environment and Sustainable Development (ii) Green Skills + Environment and Sustainable Development. Over the years, GREEN Olympiad is endorsed by Ministry of Environment, Forests and Climate Change (MoEFCC), Central Board of Secondary Education (CBSE), All India Council for Technical Education (AICTE), Kendriya Vidyalaya Sangathan (KVS), National Skills Development Corporation (NSDC), UNESCO, SCERT-Goa and Navodaya Vidyalaya Samiti (NVS).

A few incentives for students are listed below:

- E-certificates for all participants
- Book vouchers for global and country winners
- Residential eco-camp to TERI's Himalayan Centre in Mukteshwar, Uttarakhand for top scorers from each level
- E-certificates for teacher coordinators
- Competitive internship opportunities from institute/s of excellence

We request you to encourage students to register for this initiative. For any query related to GREEN Olympiad, write to us at [go@teri.res.in](mailto:go@teri.res.in) or call us at 011-24682100.
