

# TERI ANNOUNCES GREEN OLYMPIAD AND GO4YOUTH 2022

India's premier examination on environment and sustainable development for students in grades 4 - 12 and pursuing graduate / post graduate / diploma / certificate courses.

Do you wish to test your attitude and aptitude towards environment?

Do you aspire to lead sustainability agenda in your campus and neighbourhood?

Do you want to be a part of the movement that can bring a change to the environmental scenario of the country?

If the answer to the above questions is 'Yes', participate in GREEN Olympiad / GO4Youth and win a chance to attend the World Sustainable Development Summit 2023 and a residential eco-camp to TERI's Himalayan Centre in Mukteshwar, Uttarakhand.

Last date to register: 12 September 2022
