Dear Parent

Greetings from Smart Wonders!

You will be glad to know that we are celebrating Children's Day on 14th November 2022. The day marks significance of childhood, and to make this event a memorable one for our children we are organizing a fun-filled day at our premises. All the students across grades 6 to 10 are welcome to have fun and enjoy the day with their teachers and friends. We have planned a Bagless Day for all the children with various interesting activities. The celebrations will begin post the PA exam .

The students are required to bring their water bottle, school almanac and tiffin. Regular school timings will be followed for this day. The buses will ply at the usual time. Students are required to wear their House T-shirts and school track pants with comfortable shoes. We wish a Happy Children's Day to our children!

Warm regards
