Dear Parent

Greetings from Smart Wonders!

We, at SWS wish to create a schedule for our class 10 students to give them ample practice to prepare for their CBSE Board Examination 2023. It is important to enable them to analyze their academic performance so that teachers can support and guide them with their expertise. We are conducting Mock test for our class 10 students so as to make them familiar with the question paper pattern, difficulty level of questions and time management during the examination. The Date-sheet for the Mock Test is as follows.

Tuesday	29.11.2022	Math
Thursday	01.12.2022	Hindi

To facilitate our educators to upgrade and be equipped with the latest practices in education, CBSE organizes various training sessions for their professional growth. A training session for the teachers of Smart Wonders School will be held on Friday, 25th November so it will be a holiday for the students. In lieu of the above mentioned holiday, 22nd December will be observed as a working day. Hence, winter vacation will begin from Friday, 23rd December, 2022.

We wish all the best to our students for the forthcoming assessments.

Warm regards
