## From the Principal's Desk

Dear Parents,

As the New Year commenced and the school resumed after a much relaxing winter break, it was refreshing to see all the bright faces of our students, full of hope and happiness as they caught up with their friends and raved on about how their vacation went by. It was the chilliest time of the year, but that did not deter the Smart Wonderites one bit!

We celebrated the Republic Day with great fervour and the occasion was commemorated with a fabulous Class Show presented by the students of class 8. As always, the entire in-house production was directed and managed by these very students, and I must applaud them for doing it beautifully. *Hum Bharat Se, Bharat Hum Se* was, perhaps, the most amazing and appropriate culmination to the series of class shows that we have had in this session.

Now, with the final exams around the corner, it is time for the students to pull up their socks and prepare to put all their energy into their studies. Assessment is needed as it helps us know the level of skills and competencies developed by the students over the year. They also help the students to instill core values such as discipline, hard work and resilience as well as the skill of time-management. The entire staff at SWS works together with the students to help them revisit the syllabus, plan ahead and cope with any kind of stress associated with the exams. As a part of our Honourable Prime Minister's initiative '*Pariksha Pe Charcha*', we invited the teachers and students to come forward and share some tips and suggestions for a successful and stress-free sail through the exams.

Carrying on with our legacy, we conducted the solemn *Tilak* ceremony for the outgoing students of class 10 batch of 2022-23. They sought the blessings of Goddess *Saraswati*, the deity of knowledge, for their upcoming Board examination. The whole SWS fraternity joins me in wishing the outgoing batch of class 10 all the luck and best wishes for their Boards.

With a heavy heart, I share with you the news of the passing away of Sardar Kuljit Singh Ji, father of Mr. Sandeep Singh, our Director. May God grant his pious soul eternal peace and the family the strength to bear this great loss.

Warm Regards,  
Poonamjit Kaur

This can be avoided if we follow the safety rules while driving our vehicles. The students highlighted the importance of 'Zebra Crossing' by demonstrating the use of these crossings and educating the people on the road to stop and let the pedestrians cross the road safely. The speed of the vehicles should also be slow on all the turning points as well as when they are near a school. The importance of seat belts and helmets was also portrayed by the students during this activity. A video was shown to emphasize the importance of 'Road Safety'. A quiz on the awareness of 'Road Safety Rules and Traffic Symbols' was conducted for the students of classes 6 to 9.

## Self Defence Workshop

Self-defence is a life skill that helps students become physically fit, more aware of their surroundings and ready to face the unexpected challenges. The SWS students of classes 4, 5 and 6 participated in a self-defence workshop conducted by Mr. Rudal, a Taekwondo instructor and an expert in this field. He demonstrated various self protection moves through which a student can protect himself / herself when threatened by any stranger. The main objective of self-defence training is to empower yourself with techniques to handle any sudden attack independently. It was a very engaging session and our young Wonderites learned a few techniques to keep themselves safe as it's the need of the hour.

# संतुलित आहार का महत्व

भोजन मानव शरीर का वह अभिन्न अंग है जिसके माध्यम से इस शरीर रूपी वाहन को ईंधन मिलता है। आज विश्व के अधिकांश देशों में कुपोषण का प्रकोप बढ़ता जा रहा है, जिसके मुख्यतः दो कारण हैं - एक भोजन का अभाव तथा दूसरा ग्रहण किए गए भोजन में आवश्यक पोषक तत्वों का अभाव, जिस कारण हमारे द्वारा ग्रहण किया गया भोजन ही हमारे शरीर का सबसे बड़ा शत्रु बन रहा है। वर्तमान स्थिति को देखते हुए प्रत्येक व्यक्ति के लिए एक सुखद और स्वस्थ जीवन जीने हेतु संतुलित आहार लेना अत्यंत आवश्यक बन गया है।

बच्चों में सर्वोत्तम विकास और उनकी प्रतिरक्षा को बढ़ावा देने के लिए उचित तरीके से बनाया गया संतुलित आहार परम आवश्यक है। इस अवधि के दौरान शरीर में हड्डियों का विकास होता है, इसलिए कैल्शियम युक्त खाद्य पदार्थ जैसे कि दुग्ध उत्पाद (दूध, पनीर, दही) और पालक, ब्रोकली का सेवन करना बेहद जरूरी हैं, क्योंकि इन पदार्थों में कैल्शियम भरपूर मात्रा में होता है।

आजकल बच्चों का झुकाव जंक फूड की ओर अधिक हो गया है। ऐसे में बच्चों को पोषण से भरपूर खाद्य पदार्थ के लिए प्रेरित करना बेहद जरूरी है। अधिकांश बच्चे अनुप्रयुक्त खाने की आदत डाल लेते हैं। ये आदतें विभिन्न दीर्घकालिक स्वास्थ्य जटिलताएं उत्पन्न करती हैं, जैसे कि मोटापा, हृदय रोग, मधुमेह और ऑस्टियोपोरोसिस। ऐसे में, बच्चों में शुरु से ही उपयुक्त आहार की आदत डालने और उन्हें इसके प्रति जागरूक बनाने की बात अत्यंत महत्वपूर्ण हो जाती है। इस गतिविधि का उद्देश्य छात्रों को अपनी जीवन शैली में बदलाव लाकर संतुलित आहार का महत्व समझाना है।

# Presentations on Mythical Creatures

Mythical creatures take students into the world of imagination and a project around these surely enhances creativity along with fostering the language skills of the students. An interesting and thought-provoking research task was planned for the students of class 3 wherein they researched about the eight families of fairies - Elves, Dwarfs, Pixies, Gnomes, Gremlins, Goblins, Sprite and Demons. The students gathered information and made unique and beautiful presentations on them. They discovered a number of facts about these characters as they read and wrote about them. The students also drew, painted and created interesting art pieces. This information further helped them in understanding a chapter in their Literature Book where they had read about the Elves.

# Designing of Travel Brochures

Travelling familiarises students with different countries or cities around the world. A travel brochure guides the tourists with a written document to know about the places. A brochure surely enhances creativity along with fostering the language skills of the students. An interesting research-based task was planned for the students of class 4 to create a travel brochure of any Indian city of their choice. The students looked into different cities of our country and included information on how to reach the destination city, its famous tourist spots, authentic food and other accommodation details in their brochure. Students discovered a number of facts about the cities and created beautiful brochures to present them in their class to share their learning with the peers.

# Dictionary Designing

Holiday projects are a means to revisit, recapitulate and practice the concepts learnt in the class so far. It also helps the students to develop various necessary skills to enhance their performance in academics. To ensure that they are engaged fruitfully during vacation, the students of class 5 were given a task to create a dictionary. They had to search new words beginning with different alphabets from the literature textbook and write those words along with their meanings. They also had to design an impressive and appropriate cover for the dictionary showcasing their creativity. This innovative task was designed in a way that students get a chance to explore their imagination and also reiterate the words they had been taught in the classroom. The students came up with stupendous ideas while creating a pictorial dictionary. They presented their work in front of the peers and their efforts were well appreciated by their teachers.

# Book Covers And Reviews

**"Today a reader, tomorrow a leader."**

~Margaret Fuller

Reading books gives us exposure to various new words and perspectives. It helps strengthen our command over the language and sharpen our sentence structure, both of which are mandatory for being a good speaker. To inculcate good reading habits amongst our students, the library period is dedicated to 'Book Review Writing' and 'Designing Book Covers'. In this initiative, the students are encouraged to read books from different genres, write reviews and design covers. Besides developing independent reading habits and gaining a strong command over the language, the students also get the opportunity to share their views, thus honing their speaking skills and their ability to express themselves.

## "Our Journey at SWS"

### An Era of Biennial

A part of me belongs to this place because a part of this place belongs to me. We're nothing but a pile of experiences and the biggest chunk in my pile reads, 'Smart Wonderite'.

I feel like I am already living in the nostalgia - the circle time, the club lessons, asking for outdoor lessons during substitutions, from checking of uniforms at the school gate every morning to enjoying ourselves to the fullest while playing basketball match in the Sports lesson, experiencing two investiture ceremonies, planning the class show, the children's day dances; wherever I go I will keep these memories with me; and whenever I will reflect upon these memories, I will feel grateful for all the love I have been receiving from my teachers, my friends, didis and bhaiyas. Now, the dichotomy of the great experience is that it fills you with the ecstasy for your future ventures, at the same time, fills you with the sad little feeling that you lost it all to the past. As they say, "Don't be sad that it's over, be grateful that it happened". I, for that matter, am grateful to all the factors that led me to seek admission in this school. I can confidently vouch on the fact that these two years were the best two years of my life.

Madhav, 10 A

### I Still Remember

I still remember the little me holding my mother's hand, all nervous stepping into this beautiful school, my second home. All teary eyes while starting the journey and the same teary eyes while ending it. The most important chapter of our lives is coming to an end. However, there is a whole new chapter of life awaiting us. From KG to 10<sup>th</sup>, almost 13 years spent with the teachers and friends, the warmth they all have provided is just like being at home. Our everyday fights with our friends, teachers scolding us for not completing our work and us begging for extra sports periods, my inner self will miss this alot. I know that for many of us, thinking about the future is an unsettling experience. The values of our school have filled us with so much confidence that we can readily take on any challenge. As I prepare to say goodbye to this school and move on to the next phase of my life, I can't help but feel a sense of sadness. As they say life goes on. All these memories have a special space in my heart and I shall never forget them. They are the people who shaped me into who I am right now and I feel proud to say that 'I am a Wonderite'.

While we know we will not be able to relive this life again, we are never going to forget the days spent here. In the end, I would like to thank everyone once again and I promise that we will always live with the ethics, skills and proficiencies we have learnt here.

Lavanya Korpai, 10C

### My Experience as the Head Girl

"It's so funny, how day after day you feel nothing changes. But when you look back, everything is different."

Being a part of this school has been an absolute honour and as the Head-girl of the school, I hope one day I'll be able to give back a mere fraction of what this school has given me. I still remember the first day I came to this school. Every single teacher, my parents and all of my amazing friends are the ones who helped me, what

shaped me into being who I am today, a debt I can never repay. Back then, I never knew the influence they would have on my life.

Ever since sixth grade, I've looked up to the Head-girl, knowing one day I just had to be up there. I've been in this school for almost 9 years and have always been eager to move from one class to another. But now, moving on seems like something I want to prolong forever. But, as people say, every ending is the beginning of something new, I feel pride in doing so.

I'm grateful for the amazing opportunities I got, not just in academics, but in sports and arts as well, providing me exposure to all kinds of things, preparing me for the outside world.

This is a chapter in my life I shall cherish forever

Avishi Agarwal, 10B

### My Journey at SWS

It feels like it was yesterday only when my friends and I were talking about how this long journey at SWS is coming to its end. Only a month more to go and then I have to enter a whole new world, leaving behind all the nostalgic memories of fun, joy, sorrow, entrancement and excitement. This school, the teachers and the staff has basically built the base, the path of my whole life which lies ahead of me. I wouldn't have been me today, if it weren't for the teachers and my friends supporting me. The journey of 13 years in this school was very memorable, especially this year has been a complete roller coaster ride consisting of ups and downs. This school not only shaped my academics and sports but also made me a leader. I became the 'Deputy Cultural Captain' and later the 'Discipline Head' of the school. Also I participated in a number of Inter school events and achieved a lot, and it wouldn't have been possible without the help of the teachers, which I am really grateful for. Every student at SWS is meant to be unique because of how amazing this institution is. I shall forever treasure these memories. In the end, I can proudly say, this school truly did make me CONFIDENT, COMPETENT and CARING.

Jaskaran Paul, 10B

### The Wide Blue Yonder

The clear blue sky embraced us with its presence, the sunshine fueled our imagination, and then there was its beauty that no shadow could touch.

Just looking up makes you dream then why do we stop trying even when we know that the sky is limitless and everlasting.

Even through the darkest of times, the blue hues of the sky managed to pass through the greys of sadness, lifting our spirits and once again blessing us with God's sunlight.

Kishreen Kaur, 10 C

**'Years through the Looking Glass'**

With tears in my eyes, I stepped into a building, not knowing it would be my house, my life for the next 12 years. Today, I left that same building with tears of gloom and memories of a lifetime. From early morning groans about having to wake up early each day to feeling happy when the day ended on a good note. The first day I entered this place I held my mother's hand and walked through those corridors. Each year I gradually got promoted to a new class with new people all around me. There is no feeling like trying to find your new classroom and your new teachers and the peers surrounding you. With always being closed off as a person, I found it difficult to get to know people but this was the place I found some who will always be there with me. From kindergarten to tenth, that's how my journey went. You walk into a new class looking at everyone and wondering what they must be thinking about you. All eyes are on you but then you remember they're just the same as you are, going through the same things in life, the problems, the difficulties and even the happiness. You see your educator and feel like you're their own child. To me, each and every class teacher I've had till date has been someone so special, like a second mother. They guide you through everything and make you understand the lessons of life, you can only be taught at school, the love they give you and how they want you to succeed. They're the most trustworthy people you know. How our parents hand us over to them knowing they'll take care of us. For the foundation that made me who I am today, whatever I know, I am utterly grateful to you. I've spent half of my life here. On the first day of school you start to anticipate when the summer holidays will come but when they do you don't remember how the time flew by. You come back to school and meet everyone and feel comfortable in the place you've been for years, years that seem like an eternity. School is your second home and honestly, I didn't cherish this thought until this year. When you are young you just assume that this is your life. This isn't going to end. The subjects, the endless exams and then the cycle continues again and again but this year I reflect back on that and what I wouldn't give to just become a toddler again walking down the hallways for another eternity that we thought it was. From the excitement of the swimming period to standing in lines for the assembly, from going to the infirmary to get a Hajmola (because yes, that was an excuse) to never leaving the bookshelf aisles until and unless ma'am asked us to get back. From all the annual functions at Tagore Theater to quizzes, olympiads and what not and the sheer excitement when a trip was announced. From dancing on the seats of the buses to making behind-the-scenes videos during the class shows and listening to a story about the mother with one eye, in substitutions. I've experienced it all and that's because this place gave me a chance to. At night, I lie awake cherishing the moments we have left now. They might not be enough to say what I want to, to each and every one but I say, "We laughed until we had to cry, we loved right down to our last goodbye." It aches me physically to say goodbye but with all that I am today, I say I had the time of my life.

Salud!

ਸਭ ਤੂੰ ਹੈ ਜਾਣਦਾ !  
ਹੇ ਮੇਰੇ ਦਾਤਿਆ,  
ਤੂੰ ਬੜਾ ਬੇਅੰਤ ਹੈ।  
ਹਰ ਜੀਣ-ਜੰਤ ਤੂੰ,  
ਜਾਣੇ ਆਦਿ ਅੰਤ ਹੈ।  
ਤੇਰੀ ਉੱਚੀ ਪਹੁੰਚ 'ਤੇ,  
ਕੋਈ ਵੀ ਨਾ ਬਾਹਰ ਹੈ।  
ਹੇ ਮੇਰੇ ਦਾਤਿਆ,  
ਤੂੰ ਅਗਮ ਅਪਾਰ ਹੈ।  
ਬੜੇ ਚਾਅ ਨਾਲ ਤੂੰ,  
ਧਰਤੀ ਬਣਾਈ ਹੈ।  
ਹਰ ਇੱਕ ਜਿੰਦ ਲਈ,  
ਸਮਾਗਰੀ ਵੀ ਪਾਈ ਹੈ।  
ਸਾਰੀਆਂ ਜਿੰਦਗੀਆਂ ਦਾ,  
ਤੂੰ ਹੀ ਇੱਕ ਸਾਰ ਹੈ।  
ਹੇ ਮੇਰੇ ਦਾਤਿਆ,  
ਤੂੰ ਅਗਮ ਅਪਾਰ ਹੈ।

## ‘ਉਹ ਕੁਦਰਤ’

ਲਿਖੀ ਸੀ ਸਾਡੀ ਜ਼ਿੰਦਗੀ,  
ਉਸ ਕੁਦਰਤ ਦੀਆਂ ਛਾਵਾਂ ਵਿੱਚ  
ਜਿੱਥੇ ਪਿਆਰ ਦੀ ਰੁੱਤ ਵਗਦੀ ਸੀ,  
ਜਿੱਥੇ ਮੌਤ ਦੀ ਬੰਸਰੀ ਵੱਜਦੀ ਸੀ।

ਵੇ ਉਹ ਕੁਦਰਤ ਬਣੀ ਸੀ ਸਾਰੀ ਧਰਤੀ,  
ਉਹ ਕੁਦਰਤ ਬਣੀ ਸੀ ਇੱਕ ਮਾਂ  
ਜਿਸ ਮਾਂ ਦੀ ਕੁੱਖ ਵਿੱਚੋਂ  
ਜੰਮਿਆਂ ਸੀ ਸਾਡਾ ਸਾਰਾ ਜਹਾਂ।

ਵੇ ਉਹ ਕੁਦਰਤ ਦੀਆਂ ਨਦੀਆਂ  
ਜਿਥਾਂ ਰਾਂਝੇ ਦਾ ਤਖ਼ਤ ਹਜ਼ਾਰਾਂ ਸੀ ਵੱਸਿਆ,  
ਜਿਥਾਂ ਵਸਦੀ ਸੀ ਹੀਰ ਸਿਆਲਾਂ ਦੀ,  
ਜਿਥੇ ਕੈਦੋਂ ਨੇ ਮਾਰੇ ਸੀ ਪਿਆਰ ਦੇਵੇਂ।

ਵੇ ਉਹ ਝੰਗ ਦਾ ਪਿੰਡ ਜਿੱਥੇ  
ਮਿਲੇ ਹੁਣ ਜਨਮਾਂ ਦੇ ਪਿਆਰ ਕਿਤੇ,  
ਜਾਂ ਮਰਕੇ ਕੱਠੇ ਹੋਏ ਸੀ ਉਸ ਸਾਲ ਕਿਵੇਂ?

ਕਿਨੂੰ ਪਤਾ ਸੀ ਉਸੇ ਸਿਆਲ ਵਿੱਚ  
ਸਾਹਿਬਾ ਨੂੰ ਮਿਰਜ਼ੇ ਨਾਲ ਪਿਆਰ ਹੋਇਆ,  
ਇੱਕ ਰਾਤ, ਆਪਣੀ ਭੈਣ ਦੀ ਜ਼ਿੰਦਗੀ ਦਾ ਉਹਦੇ  
ਭਰਾਵਾਂ ਨੇ ਸੀ ਸੁਖ ਖੋਹਿਆ,  
ਉਸ ਰੁੱਖ ਜੰਡ ਦੇ ਹੇਠਾਂ ਹੀ  
ਵੇ ਸਾਹਿਬਾ ਦੇ ਧੋਖੇ ਕਰਕੇ ਸੀ ਮਿਰਜ਼ਾ ਰੋਇਆ।

ਲਿਖੇ ਗਏ ਇਹ ਸਾਰੇ ਕਿੱਸੇ  
ਉਸ ਕੁਦਰਤ ਦੀਆਂ ਛਾਵਾਂ ਵਿੱਚ,  
ਜਿੱਥੇ ਪਿਆਰ ਦੀ ਵੰਝਲੀ ਵੱਜਦੀ ਸੀ,  
ਜਿੱਥੇ ਮੌਤ ਦੀ ਬੰਸਰੀ ਸੁਣਦੀ ਸੀ,  
ਜਿੱਥੇ ਹਨੇਰੇ ਵਿੱਚ ਚਾਨਣਾ ਦਿਖਦਾ ਸੀ।
