AND DIFFERENCES ARE RESPECTED

MONTHLY NEWSLETTER

From the Principal's Desk

Dear parents,

February was a month full of bittersweet feelings as we bid farewell to the students of class 10. Emotions ran high for all of us at SWS as the students that have stayed with us the longest, would suddenly not be seen on the campus anymore. It is nice to see them all ready and raring to scale great heights in life, and we hope and pray that they fare well in all their future endeavours.

Ahead of the upcoming exams, we conducted an interactive in-house session on stress-free examination. Some practical tips on how to beat stress and face the exams with a smile were shared with the students by our counsellor. 'When you have worked hard for something all through the year, don't let excessive worrying take it all away from you. Now is the time to be all the more calm and confident.' This message was also shared with the Primary Years students using puppets by the teachers. At Smart Wonders, achieving academic excellence has never been the sole objective. We strive to focus on the all round development of our students to prepare confident, competent and caring young individuals.

"It's not the will to win that matters—everyone has that. It's the will to prepare to win that matters."

—Paul "Bear" Bryant

The school recently organised 'Ready to Rumble' - the annual sports extravaganza for the Junior Wing. Bubbling with energy, excitement and enthusiasm, the students gave a brilliant display of skill and sportsmanship during the event. They absolutely enjoyed having a field day, away from their books and their classrooms. Such events, which are a regular feature at SWS, help the children build relationships, instill core values, keep fit and have fun while they are at it.

In the words of Lady Bird Johnson, "Where the flowers bloom, so does hope." As spring is in the air, it is that time of the year when everything comes alive; there is hope in the hearts and happiness all around. It is the season to rejoice and rejuvenate as we look back at a spectacular session that went by, and renew our energies for an even more splendid session that awaits. Here's wishing you all bright new beginnings!

Warm Regards,
Poonamjit Kaur

FAREWELL

Class 10

A 'Farewell Ceremony' for the out-going students of class 10 was held on 11th February at its school premises. The Principal, Senior Wing Coordinator and Junior Wing Coordinator along with the educators lit the ceremonial lamp to the accompaniment of an invocation to commence the ceremony. Dr. Parul, Senior Wing Coordinator, in her welcome speech expressed the hope that the students would fare well in the Boards and be successful in all their future endeavours. They were blessed by the Principal, Ms. Poonamjit who also extended her good wishes for a bright, successful and prosperous future.

The outgoing Head Boy, Madhav and Head Girl, Avishi shared their experiences with their teachers and fellow classmates. The students grew sentimental and emotional as they recalled their happy memories of the past 10 years in the school.

The title ceremony saw each child receive their 'Title' and a token of love prepared specially for them. After the ramp walk and question rounds, the title of Ms. SWS was bestowed upon the eloquent Sugampreet and Mr. SWS was the dashing Harmanjit. The title of Ms. Elegant was bagged by Jaeneisha and our Mr. Sophisticated was Jaskaran Singh. Avanya Narang was adjudged Ms. Charming and Armaan Singh was our Mr. Debonair. The students presented songs and dances. The momentous day culminated with the cake cutting ceremony and lunch.

Assembly on Resilience

The students of class 4A conducted an assembly on 'Resilience', the value of the month, on 6th February 2023. Resilience refers to both - the process and the outcome of successfully adapting oneself to challenging life situations. During the assembly, the students described the 7 Cs for improving one's resilience, which are competence, confidence, connection, character, contribution, coping and control. They also spoke about the various means to stay relaxed and stress-free. By means of a slideshow and a video, the students were further briefed about how to channelize their emotions. The assembly concluded with words of wisdom and encouragement from our Junior Wing Head, Ms. Sarika Sharma.

Assembly on Importance of Healthy Eating Habits

Morning assemblies aim to create, nurture and sustain a sense of unity and belongingness. They also help students imbibe values and strengthen life skills. On 1st February 2023, the students of 4B conducted an assembly on 'Importance of Healthy Eating Habits'. They spoke about the advantages and disadvantages of various foods that we consume, and the importance of following a healthy diet. They also apprised us of the vital role it plays in maintaining our physical and mental well-being. The message was reinforced by the Junior Wing Head, Ms. Sarika Sharma, as she encouraged everyone to follow mindful eating habits.

G20 Awareness in Smart Wonders

Creativity while Learning

Formed in 1999, the Group of Twenty, or G20 as we know it, is the premium forum for international economic cooperation. By bringing together some of the leading economies from around the world, it aims to discuss and address key issues surrounding global finance and economy.

As India assumes the G20 presidency and plays host to the 2023 edition of the G20 Summit, it is important to inform the students about its inception, existence and importance in the global sphere. The students belonging to the Heritage Club from the Senior Wing participated in a discussion based on the topic, followed by an interesting poster-making activity. They creatively designed the G20 logo, along with the following tagline:

“Vasudhaiva Kutumbakam”
One Earth-One Family-One Future

Students participating in Poster-Making Activity

Pariksha Pe Charcha

'Leave your stress and nervousness behind and get ready to set those butterflies in your stomach free!'

Pariksha Pe Charcha is part of the larger movement - 'Exam Warriors' - led by our worthy Prime Minister, Mr. Narendra Modi, to create a stress-free atmosphere for youngsters. It aims to bring together students, parents, teachers and the society to foster an environment where the unique individuality of each child is celebrated, encouraged and allowed to express itself fully. As a part of this campaign, Smart Wonders conducted the following activities for its students:

- Discussion on examination anxiety and mental health
- Tips and strategies to handle exam stress
- A session on how to be a smart learner
- Yoga sessions and de-stress techniques
- Brainstorming Sessions
- Meditation session by the School Counsellor
- Parenting Session – An informative video on the role of parents in helping their children cope with exam stress

Puppet Show

Puppet shows provide a sensory stimulation for intellectual and emotional development of the students. Puppets are a fun way to deliver information in the form of stories. These shows also help the audience to enhance their critical thinking skills. To share various strategies to deal with 'Examination Stress', the teachers of classes 3 to 5 presented a puppet show for the students. A story based on the theme of 'Stress Management and Exam Anxiety' was woven by their teachers who lent their voices as puppets portraying interesting characters. The goal of this show was to apprise the students of various stress management techniques so that they can plan their daily schedules well and avoid any last minute hassles during the examination. The students not only enjoyed the show but also learnt about the importance of discipline and time management to make examinations 'a festival of learning'.

Workshop on Stress-Free Examination

Experiencing stress ahead of upcoming exams is not unusual or unheard of. However, excessive stress and worrying can have a number of consequences on the students, such as reducing their ability to retain information, making them more likely to make mistakes and increasing their risk of developing anxiety.

To help them overcome these issues, an interactive workshop was conducted for the students of the Senior Wing by the school counsellor, Ms. Mandeep Nijher. She told them how stress could affect their physical and mental well-being, besides ruining their year-long hard work. Students were given tips on how beautifully they can execute their exams without any undue stress, and yet come out with flying colours.

ALL THE BEST!!

Poetry Recitation Activity

"Poetry is when an emotion has found its thought and the thought has found words."

Poetry is the chiselled marble of language. It is like a paint splattered canvas where, instead of paint, we use words. Keeping this in mind, a poetry recitation activity was organized on 24th February for the students of class 1 and 2. Children enjoyed expressing their thoughts and feelings through rhyme, rhythm and the music of words. The young poets got an opportunity to exhibit their talent and confidence as they recited beautiful poems on 'Nature' with great zeal and enthusiasm. The educators were mesmerized by their performances.

Role Play – I am What I Eat

Role play is an important part in a child's development during foundation years. It helps them build confidence, improve communication, achieve physical development, use their imagination and instill creativity and problem-solving capabilities. This fun activity also allows children to get into the character and act out real life roles or present fictional performances. Keeping this in mind, a role play activity was conducted for the students of class 1 on the topic – 'I Am What I Eat'. This was a platform to exhibit their talent and confidence as they held their props and spoke with great zeal and enthusiasm. They were delighted to share the importance of healthy food with their classmates.

An Activity on Fractions

Fractions help students understand the concept of abstraction and lay the foundation for learning advanced Mathematics. During their elementary and middle-school years, a proficiency in fractions helps them better understand the concept of algebra. For better concept clarity, an interesting activity on fractions was conducted for the students of class 2. During this fun-filled session, the children enjoyed pasting cut-outs of different shapes in their notebook, followed by colouring one-half, one-third and one-fourth of these shapes. This activity aimed at helping the children understand 'how much' of a 'whole' is required to mark the fraction.

Mathematics Quiz

"Mathematics is not about numbers, equations and algorithms: it is about Understanding."

- William Paul Thurston.

Quizzes are brief assessments often used in the sphere of education to assess the existing knowledge of the students, enhance their interest towards the subject and allow them to go beyond their textbooks. They provide a conducive platform for the students to contribute their bit while working cohesively as a group. To assess their clarity of mathematical concepts, a Mathematics Quiz was conducted for the students of class 1. Divided into different teams, the students had great fun while they took the quiz and answered questions pertaining to mental arithmetic and brainstorming.

Students of Class 1 participating in the Mathematics Quiz

Book Covers And Reviews

"Everything you need for better future and success has already been written. And guess what? All you have to do is go to the library."

- Henri Frederic Amiel

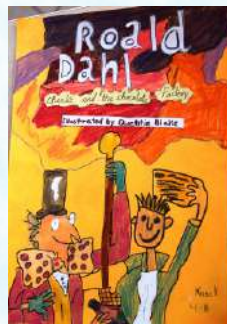

Reading books gives us exposure to various new words and perspectives. It helps strengthen our command over the language and sharpen our sentence structure, both of which are essential for being a good speaker. During the library period, we encourage the students to read books from different genres, write their reviews and design interesting covers. Besides developing independent reading habits and gaining a strong command over the language, the students also get the opportunity to share their views, thus honing their speaking skills and the ability to express themselves.

Annual Sports Day

"Ready to Rumble"

**"The five S's of sports training are: stamina, speed, strength, skill, and spirit; but the greatest of these is spirit."
—Ken Doherty**

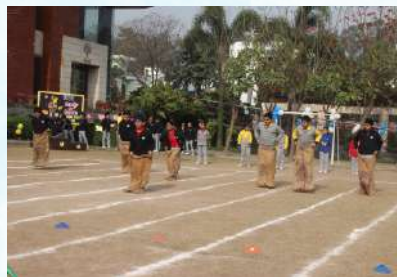

To signify the importance of sports in the lives of students, the Annual Sports Day - "Ready to Rumble" was held on 9th and 10th February 2023 for the students of Foundation Years and Primary years respectively with great zeal and fervour. The event commenced with hoisting of the school flag followed by the 'Sports Anthem'. Synchronizing their steps to the tune of 'Sare Jahan se Acha', the students led their contingents in the field with pride and confidence. After our worthy Principal declared the sports meet open and released the balloons into the clear blue sky, the participants reaffirmed their pledge towards maintaining the true spirit of sportsmanship, integrity and fair play in the games. As the day unfolded, the spectators were witness to a vibrant display of sports. The audience was captivated by the colourful spectacle of fun races where the little ones tried their best to outdo each other. The event culminated with the medal distribution. The school ground echoed with cheers of applause.

In the concluding speech, our Principal, Ms. Poonamjit Kaur lauded the efforts of the participants and stressed upon the belief upheld by the school that apart from academics, sports play a vital role in the holistic development of the children. She encouraged the students to imbibe the spirit of sportsmanship, quoting "It does not matter whether you win or lose, all that matters is the courage to participate". The eventful day ended with the vote of thanks and the School Anthem sung by the junior school choir.

Manandeep Singh and Gurmehar Singh, students of Class 8 B, participated in the District Level Children Science Congress, 2022-23 held at Shivalik Public School, Phase VI, Mohali.

Manandeep Singh of Class 8 B participated in the International Aerospace Olympiad, 2023.

Highlights From The Hindi Olympiad 2022-23

It brings us great joy as we share that students from our school have brought home 7 Gold, 12 Silver and 13 Bronze medals as they participated in the Hindi Olympiad. The details are as under:

S. No	Student ID	Student Name	Medal Won
1	1511	Asreet Kaur Sidhu	Gold
2	1516	Rudra Pratap Choudhary	Gold
3	1509	Amogh Dikshit	Gold
4	1518	Kanav Manocha	Gold
5	1510	Hayan Khanna	Silver
6	1508	Jenisha Goyal	Silver
7	1513	Trijal Saxena	Silver
8	1519	Rudra Devessar	Silver
9	1515	Anshika Thakur	Silver
10	1517	Shehbaaz Singh	Silver
11	1512	Avnie Tewari	Silver
12	1507	Vihaan Thind	Silver
13	1506	Trisha Pandey	Bronze
14	1514	Hanna Aggarwal	Bronze
15	2668	Kavya Kanwar	Gold
16	2671	Ishanvi Sinha	Gold
17	2669	Yuvan Sharma	Silver
18	2676	Bhaavi	Silver
19	2672	Jugraj Singh	Bronze
20	2670	Gazleen Kaur	Bronze
21	2666	Gunreet Kaur	Bronze
22	2673	Harkaran Singh Sandhu	Bronze
23	2675	Mehreen Sharma	Bronze
24	2674	Ajuni Kaur	Bronze
25	2667	Yuvan Sharma	Bronze
26	30532	Naksh Bhandari	Bronze
27	40640	Vridhhi Jindal	Gold
28	40643	Hasrat	Silver
29	40641	Gurniwaz Kaur Saini	Bronze
30	50560	Ekamjot Singh	Bronze
31	70400	Bhavik Goel	Silver
32	70397	Riddhi Goyal	Bronze

ACHIEVERS OF NATIONAL CYBER OLYMPIAD, 2022-23

S. No.	Roll No.	Name of the Student	Awards Won - International / Zonal / School Level
1	PB0796-01-009	Asreet Kaur Sidhu	Medal of Distinction + Certificate of Distinction + Certificate of Zonal Excellence + Student Performance Report (SPR)
2	PB0796-01-042	Rudra Pratap Choudhary	Gifts Worth Rs. 500/- + Medal of Distinction + Certificate of Distinction + Certificate of Zonal Excellence + Student Performance Report (SPR)

Saying Goodbye

How fast the time has passed
We were just tiny kids the last time I asked,
When did I go from throwing paper planes
to solving Math that no one can explain.
I don't know what to say
I've always dreaded this day.
These walls have seen my worst
Yet my best,
Getting yelled by the teachers and the time I spent on the bleachers
Are some memories,
I'll never forget
I'll always be in debt
Because of the endless lessons
I have been taught.
I'm really gonna miss this place a lot,
Just know that ya'll will always be a part of fond memories in my heart
I am not gonna lie
How hard it is to say goodbye!!

Ten Beautiful Years

So, let's start with my first day in this school,
I remember being in wrong uniform looking like a fool.

Everybody when gone for swimming,
I was looking for a place to sit,
Looking here and there
And being completely lost as a five year old kid.

Not having anyone by my side,
Whenever the teacher asked me
My tears didn't hide,
And I cried,
I cried every day, all the time,
Didn't utter a word like a mime,
I remember crying for two years straight
And being the largest fish in the second grade.

Yes, from that little crying baby,
To the person I've become today,
I thank this school for helping me on my way.

I made tons of friends, had endless laughs,
Begged for outdoors and cried for graphs,
Nonstop nonsense and gossips during the lunch break,
Sleeping in the class and faking a headache.

A special mention to the teachers for making this journey outstanding, Thank you all
for being so supportive and understanding.

I will always remember dancing in the Annual Functions and singing in this AV Hall,
No matter where I will be in future, I will never forget you all.

I am so proud of being a Wonderite who's maybe smart, Because these
ten beautiful years will always be in my heart...

School conducts tilak ceremony for class X kids

On the auspicious occasion of Basant Panchami, **Smart Wonders School, Sector 71, Mohali** conducted the solemn tilak ceremony for the students of class X.

The entire batch of 2022-23 sought the blessings of Goddess Saraswati, the deity of knowledge, for their upcoming Board Examination. Principal Poonamjit Kaur blessed students by applying tilak on their forehead and extended her best wishes for the forthcoming exams.

Outgoing batch gets emotional at send-off party

A farewell ceremony for class X students of **Smart Wonders School, Sector 71, Mohali** was held in the school premises. The principal, senior wing coordinator and junior wing coordinator along with the educators lit the ceremonial lamp to the accompaniment of an invocation marking the commencement of the ceremony. Dr. Pruthi, senior wing coordinator, in her welcome speech, expressed the hope that the students of class X would fare well in the Boards and be successful in all their future endeavours. Principal Poonamjit Kaur blessed the outgoing batch and extended her good wishes for a bright, successful and prosperous future.

The outgoing head boy, Madhav and head girl Avishi shared their experiences with their teachers and fellow classmates. The students grew sentimental as they recalled their happy memories of the past 10 years in the school.

The title ceremony saw each child being conferred a title and a token of love prepared specially for them. After the ramp walk and question rounds, the title of Ms SWS was bestowed upon the eloquent Sugampreet and Mr SWS was the dashing Harmanjit. The title of Ms Elegant was bagged by Jaaneisha and Mr Sophisticated was Jaskaran Singh. Avanya Narang was adjudged Ms Charming and Armaan Singh was Mr Debonair. The students showcased their talent with songs and dances, which culminated with the cake cutting ceremony and lunch.

Interactive workshop on exam stress held at SWS

MOHALI: To address the problem of stress associated with exams and instill confidence among the students, a workshop on 'Stress-free Examination' was conducted at **Smart Wonders School, Sector 71, Mohali**. School counsellor Mandeep Nijher interacted with senior wing students about various factors which cause stress and anxiety during exams. She also shared some tips on time management. Principal Poonamjit Kaur said assessments are an integral part of the journey of knowledge and wished them luck.

SWS teachers arrange puppet show for students

MOHALI: Teachers at **Smart Wonders School (SWS), Sector 71**, presented a puppet show for the students of the primary wing ahead of their final examinations. The teachers weaved a story using various characters to provide the students with exam tips and strategies. Junior wing head Sarika Sharma and principal Poonamjit Kaur urged the students to remain disciplined and wished them luck for their exams.

ANNUAL SPORTS DAY AT SMART WONDERS

MOHALI: **Smart Wonders School, Sector 71**, held their annual sports day 'Ready to Rumble' for their junior wing students. The event commenced with the hoisting of the school flag. The students displayed their athletic skills by competing in various track events. Principal Poonamjit Kaur lauded the efforts of the participants and stressed the importance of sports for students' holistic development.
