Dear Parent

Greetings from Smart Wonders!

SWS is constantly promoting the Sustainable Development Goals to bring peace and save the environment. With respect to SDG Goals, the students of grade 6 and 7 would be having an Essay writing competition on 'Biodiversity Benefits Ecology' on 28.4.23.

Instructions -

1. Maximum word limit (400 -500 words)
2. The language should be English only.
3. The essay should be the original work of the student and should be done in the House Activity Period. (60 minutes)
4. The assessment is based on the parameters - content, expression and originality of ideas.

**Warm regards,**
