## From the Principal's Desk

The future belongs to the competent. "Get Good, Get Better, Be the Best!"~ Brian Tracy

**A**s this academic session draws to a close and planning is well underway for the next session, our minds and hearts are full of joy as we have happy memories and many reasons to celebrate. It has been a great year together and we have learned much and shared experiences that will remain with us in the years to come. Our students are 'Confident, Competent and Caring' and they have excelled in numerous activities over the span of this academic year.

The institution places stress on an all-around, balanced education based on sound intellectual, physical, moral and social development. Aristotle once said that, "Educating the mind without educating the heart is no education at all." Even as we impart education to match the advancement in technology and globalization, we march our children ahead with SWS's ethos of moral values and principles. We constantly endeavour to instill these qualities in our children. We pride ourselves on helping them grow and develop into sensitive and responsible citizens of the future.

During this period, while the students rejuvenated and got ready for the next class, we at Smart Wonders were organizing and conducting internal and external trainings for our educators, ensuring to empower them for the session ahead. Our teachers are ready to take on all the challenges of the coming year and ensure the students get the best learning experiences possible.

Lastly, I would like to extend my gratitude to all the parents of SWS for the immense support and contribution they have extended to the school for its smooth functioning. It has been a great year and together we have learned much and shared experiences that will remain with us in the years to come. Let us join hands in ensuring that we work towards making them the best version of themselves.

Warm Regards,  
Poonamjit Kaur  
Principal, Smart Wonders School

## Sri Sukhmani Sahib Paath

The management of Smart Wonders School organised Sri Sukhmani Sahib Paath at the school premises to seek the blessings of our almighty God ahead of the beginning of the academic session 2023-24. The Principal, Ms. Poonamjit Kaur and the entire staff marked their presence to pay obeisance, expressing gratitude and praying for everyone's well-being and success as we are stepping into the next year of learning. The sacred event culminated with an Ardaas and distribution of Kadah Prasad, which was followed by Guru ka Langar for the entire gathering. The ambience of the entire school was like a religious place.

## Yellow Day Celebrations

The festival of Basant Panchmi was traditionally celebrated with great joy and vivacity by the little Wonderites at SWS. All the educators and students of class UKG and class 1 came dressed in bright yellow outfits and brought yellow coloured food to mark the 'Yellow-Day' celebrations. Their enjoyment was at its peak while designing colourful kites and then flying them outdoors with their friends under the supervision of their educators. They were also apprised of the significance of this day and paid tribute of Goddess Saraswati, the epitome of knowledge and wisdom. The Foundation years and Primary wing corridors were abuzz with laughter and excitement for the whole day.

# Graduation Day at SWS

Smart Wonders School, Sector 71, Mohali organized the 'Graduation Day' for the students of Kindergarten on 10<sup>th</sup> March to celebrate their progression and transition. The programme commenced with a welcome speech addressed by the Academic Coordinator, Ms. Manveen Mander followed by a melodious song presented by the little Wonderites of class UKG. The tiny tots mesmerized the audience with their scintillating dance performance to the tune of vibrant music wherein they set the tone and mood to celebrate the occasion. A presentation depicting the highlights of the wonderful journey of the students during the session 2022-23 was showcased for the parents.

While addressing the audience, the Head of the Junior Wing, Ms. Sarika Sharma requested the parents to work in sync with the educators to ensure that we are able to provide the best environment for the children's holistic development. As the little ones donned their graduation caps, the parent's heart melted while they were being felicitated. Our Principal, Ms. Poonamjit Kaur congratulated the students on their wonderful accomplishments and spoke about graduation being an exciting milestone for the children as it's their first step towards a future full of hopes and possibilities. It marks the new beginning that adds new dimensions to their school life and the exciting journey they begin to attain knowledge and education. The proud parents were congratulated for the successful completion of the session.

Graduation Day in Progress

Students of UKG with Ms. Sarika (Head - JW), Ms. Manveen (Coordinator, Foundation Years) and their class teachers, Ms. Nisha and Ms. Neema

## A Successful Session Culminates at SWS

Smart Wonders School, Sector 71, Mohali conducted the final parent-teacher meeting for the session 2022-23. The enthusiastic and excited students and their parents visited the school premises to meet the educators as the PTM serves as an opportunity for both, the teachers and the parents, to discuss the academic and co-curricular performance of the students for a positive reinforcement of their child's holistic development in a healthy learning environment. An art exhibition depicting the beautiful best-out-of-waste pieces created by the students throughout the session also formed a part of this event. The articles like jewellery, photo-frames, paper flowers, abstract paintings, etc. were put on display in the respective corridors. Our Principal, Ms Poonamjit Kaur congratulated all the students and their parents on completing another successful academic session. She also expressed gratitude for all the support received from them throughout the session.

## Parent Orientation Programme

On 11<sup>th</sup> March 2023, Smart Wonders School, Sector 71, Mohali organised an Orientation Programme for the parents of the students entering class 9 and 10. It commenced with a welcome of the parents followed by lamp lighting. They were led through a comprehensive PowerPoint Presentation by Sr. Wing Coordinator, Dr. Parul Bhargava about the school, its curriculum in sync with the NEP 2020, teaching methodology, assessment patterns, rules and various polices of the school along with a glimpse of the activities conducted in the previous session and the achievements made by the students.

The event also served as a platform where the educators were formally introduced to the parents. Principal Ms. Poonamjit Kaur highlighted the role of parents and teachers in shaping the future of the children. The programme concluded with the vote of thanks and the school anthem.

## Teachers' Orientation & Trainings

Associating with new people always opens path to new learning which broadens our horizon. Induction programme was organized for all the members joining SWS family in the new session 2023-24. A warm welcome was extended to the new staff. Light symbolizes knowledge that removes ignorance. As a tribute to Maa Saraswati to bestow upon us her warm blessings, lamp lighting was done by the Principal, Ms Poonamjit kaur along with the staff. Junior Wing Head, Ms. Sarika Sharma extended a hearty welcome to the newly joined staff. Principal, Ms. Poonamjit Kaur appreciated and motivated the whole team to put in their best effort for the holistic development of the students.

Each new session at Smart Wonders School begins with a teacher's training programme to equip them with teaching tools and enhance their pedagogical skills. This year the sessions were held from 21st -24<sup>th</sup> March. The teacher training programme was conducted in-house by our Principal, Ms. Poonamjit Kaur along with the Heads and Coordinators. We also had outside resource person, Ms. Ruchi Miglani as well as Curators from Vnurture who took extensive workshops of teachers from all subjects.

## Book Covers

**"That's the thing about books. They let you travel without moving your feet."**

Reading books gives us exposure to a wide range of new words and perspectives. It helps in strengthening our command over the language and sharpening our capacity in building sentence structures, as both of these are essential for being a good orator. During the library lessons, we encourage our students to browse and read books from different genres, write their own reviews; also design innovative and interesting covers for the books read by them. Besides developing independent reading habit and gaining a strong command over the language, the students also get the opportunity to share their views, thus honing their speaking skills and the ability to express themselves confidently and competently with special care of the use of right vocabulary.

## Our Proud Achiever

### Our Proud Achiever

Our student of class 8 B, Abhinandan Singh Randhawa's patent proposal on the topic of plaided zebra crossings has been approved and brought accolades to our city beautiful as well as SWS. In India, it has become a culture to violate the basic Roadway laws, be it to stop at red lights or drive in the lanes. Abhinandan has created the Ribbons for zebra crossings which get activated if anyone would try to disobey the rules. The cars will have to stop at the zebra crossings due to this invention. We will follow up this news further when he will be invited to receive the honours. Kudos to our child!

### Our Proud Achiever

Naitik of class IX B was awarded a certificate for participating in the cycling event organized by 'Cyclegiri Group' to commemorate the 'International Women's Day' wherein almost 300 women took part in this event. He has been working as a volunteer since many days to make this day a big success.
