Dear Parent

Greetings from Smart Wonders!

Spelling is a complex skill and an important part of writing. Good spelling is also a social expectation and **contributes to clear communication of a written message**. To motivate our students to practice spellings, **an Inter-House English Spell Bee Competition- 'Beelivers'** is being organized this month.

Students need to practice spellings and meanings of not so familiar words from the lessons given below. They can refer to the following chapters in English literature book for practice:

1. Ch.1- Reena, the Magician

2. Poem – My Smart Phone Isn't Very Smart

Grade	Round No.	Date of conduct	Format of competition	Participation details
5	Preliminary round	12 th May 2023	Worksheet	Mandatory for all
	Final round	19 th May 2023	Spell Quiz	Selected students from preliminary round

Happy Practicing!

Warm regards,

Poonamjit Kaur
