

Smart Wonders School

Thursday, 25th May 2023

SWS/ ACD/2023-24/23

Dear Parent,

Greetings from Smart Wonders!

As a part of Experiential learning, students are being provided an opportunity to think beyond the textbooks and get first hand experiences of various concepts. In this context '**No Bag Day**' will be observed for grades 3-5 on Wednesday, 31st May 2023.

It will add an element of fun while learning through hands on experience for our students. The students will be undertaking various fun filled activities based on the concepts being done in the class for better understanding.

Please note:

1. Students to bring their water bottle, tiffin, stationery-box and School Almanac only.
2. Swimming classes will be conducted as per the Time Table.

Warm regards

Poonamjit Kaur
Principal
