

Smart Wonders School

Wednesday, 5th July 2023

SWS/ ACD/2023-24/28

Dear Parent,

Greetings from Smart Wonders!

We at Smart Wonders School endeavour to provide opportunities to all our students to develop and strengthen their analytical, reasoning as well as logical skills by participating in various OLYMPIADS conducted in the school.

Languages are a means of expression. They are the links that bridge diverse cultures. Knowing a foreign language improves one's cognitive skills, interpretative abilities and can indeed be a very rewarding experience. This year we are also introducing the French Olympiad 2023 for all the students learning French. **It will be conducted as an online examination by Education & Beyond (E&B).**

The French Olympiad will be conducted in two rounds:

1. **Entry Level Examination (ELE)** and
2. **National Level Examination (NLE). Each round has three levels:**
 - Level 1 for grades 5 and 6,
 - Level 2 for grades 7 and 8,
 - Level 3 for grades 9 and 10.

The fee for each level is as follows:

Entry Level Examination (ELE) @ Rs. 392.00 (inclusive of GST)

National Level Examination (NLE) @ Rs. 504.00 (inclusive of GST)

Date of Examination: 22nd September, 2023 (Online)

Kindly send **the payment in cash latest by Friday, 7th July, 2023** to the class educator in a sealed envelope with the acknowledgement duly filled and returned.

Students will have access to:

- Practice e-book specific for this examination
- Three online practice papers with MCQs (multiple choice questions) pre-final online examination with MCQs.
- Final online examination with MCQs on the scheduled date and time.
- Their individual performance immediately after the submission of answers.
- Students scoring more than 60% marks in the Entry Level Examination (ELE) will be eligible to participate in the National Level Examination (NLE).
- All students will receive an e-certificate of participation.

Warm regards

Poonamjit Kaur
Principal

Acknowledgment:
