Dear Parents,

Greetings from Smart Wonders!

We are sharing some points to reiterate few school rules and regulations keeping the safety and security in mind.

- Students must carry their almanac and wear ID –card (blue string) to school every day. Students must be picked up on time after school hours. Parents/guardians picking up their ward from school must carry the parent ID card (red string) daily.
- Punctuality is expected from the students. They must reach school 5 minutes before 8:00 a.m. The school gates are closed at 8:10 a.m. and late comers will be sent back home. You are requested to abide by the school timings to inculcate discipline.

Your cooperation is appreciated.

Warm regards

Poonamjit Kaur
