Saturday, 7th October 2023

SWS/ ACD/2023-24/59

Dear Parents,

Greetings from Smart Wonders!

We at SWS believe in the holistic development of young minds. To develop and enhance confidence, eloquence and oratory skills in our students, a Show and Tell activity will be conducted on Friday, 20th October 2023. It is our constant endeavour, to provide a platform to our children where they can hone their speaking skills. The topic is “**Community Helpers**” and the students can dress up and are expected to speak 4-5 lines.

The criteria for grading:

- Content
- Props
- Confidence

We look forward to your whole hearted cooperation in making this an enriching experience for our children.

Warm Regards

Poonamjit Kaur
Principal
