The most awaited day of our Annual Show is approaching and our students are all geared up to rock the theatre. Please go through the instructions for the day carefully.

1. Students must report to school at the usual time. School buses will ply as usual.
2. All the students should come to school well dressed in the costumes provided to them along with base make-up (including foundation and light pink lipstick) and hairdo as per the role assigned.
3. The school will provide the transport facility to Tagore Theatre.
4. Students are required to bring a light bag with school diary, tiffin and water bottle.
5. Parents are requested to give sumptuous tiffin to children although refreshment will also provide to the students.
6. Dispersal of students will be from the Tagore Theatre from their designated areas which will be informed to you after the show. Parents are requested to pick up their wards at the end of the show. No transport facility will be available after the show. The show will get over at 1:30 p.m.
