Dear Parents

Greetings from Smart Wonders!

Healthy communication and interaction between teachers and parents is crucial for the overall growth of the child. The students will be appearing in their final CBSE examination 2024 starting in February. To prepare them thoroughly we had conducted Mock tests. We would like to discuss and review their performance so that they are better equipped to appear in their board examination. The school welcomes you parents for a Result Discussion Meeting on Saturday, December 16th 2023, in school to apprise you about the performance of your ward and discuss the child's scope of improvement.

Each parent will be given a 10-minute slot, for which the detail is being shared along with this document. We expect you to adhere to the allotted time slot in order to conduct the meeting smoothly.

Together we can and we will continue to work towards fulfilling the future dreams of our children.

Looking forward to meeting you!

Warm Regards

Poonamjit Kaur
