SWS/ACD/2023-24/89

Dear Parent

Greetings from Smart Wonders!

The foggy mornings and the winter chill reminds us that Christmas is round the corner. It is a season not only of rejoicing but reflecting as well. So, let's celebrate and be grateful for the wonderful time we have shared together. To make this day more special we are having Christmas Celebrations, with lots of fun filled activities for the children on Thursday 21st December 2023.

The students can come dressed in any outfit that is red or white in colour with Santa caps
Looking forward to a joyous celebration!

Warm regards

Poonamjit Kaur
Principal
