**Tell me and I forget
Teach me and I remember
Involve me and I learn**

Dear Parent

Greetings from Smart Wonders!

We at SWS believe that children learn by exploring and discovering. Experiments help students to be more observant and inquisitive and ignite their creativity. We will be conducting an activity "Fun with Experiments" on Friday, 9th February 2024. The students will be conducting the experiment-**Soap repels germs**.

Please send the following material with your ward tomorrow.

1. Plastic transparent glasses - 2

Looking forward to a Day of Discovery!

Warm regards

Poonamjit Kaur
