Dear Parent

Greetings from Smart Wonders!

Festivals are a source of delight and bliss as they unite people, rejuvenate the souls and fill our lives with myriad colours of happiness.

Baisakhi being a vibrant festival marks the onset of harvest season which infuses renewed hope and energy in the atmosphere. So let's usher the spirit of festivity and get ready for the celebrations on Friday, 12th April 2024 with open arms and joyful heart. We have planned various activities for our students. You are requested to send your child dressed up in Punjabi attire.

Looking forward to a joyous celebration.

Warm regards
