

SMART WONDERS SCHOOL

Skill Booklet for classes 1 & 2

Friday, 3rd May 2024

SWS/ACD/2024-25/13

Dear Parent

Greetings from Smart Wonders!

We are excited to share that we have created a comprehensive Skill Booklet for classes 1 & 2 to supplement your child's learning in school. This booklet covers all topics across the curriculum for core subjects i.e. English, Math, EVS and Hindi. The Skill Booklet covers the progression of concepts and skills that are developmentally age appropriate. The worksheets have been designed to reinforce and supplement classroom instructions and are aligned with the grade-level curriculum. These worksheets will provide your child the opportunity to practice their skills, consolidate their knowledge, and develop a deeper understanding of the concepts. The skill booklet will be available for purchase at the Book Vendor from **Saturday, 4th May onwards**. We request you to purchase a copy for your child to support their academic goals while engaging them in joyful learning.

Warm regards

Poonamjit Kaur
Principal
