Dear Parent

Greetings from Smart Wonders!

We are pleased to inform you that we will start the selection of the students for morning sports coaching for Football, Basketball and Cricket which is scheduled to start in the month of July.

The selection criteria will involve the skills they have learnt in each of these sports and there will be an inter-house basketball and football tournament during the house activities before the summer break.

The selection process will take place during the enrichment activities of the above mentioned sports.

Warm regards
