

SMART WONDERS SCHOOL

Thursday, 23rd May 2024

SWS/ACD/2024-25/26

Dear Parent

Greetings from Smart Wonders!

We are pleased to extend an invitation to you to attend the **Online Parent-Teacher Meeting**, which is scheduled on Saturday, 25th May 2024, for the students of classes 6 to 10.

We will have a great chance to collaborate with you during this meeting to address any concerns and discuss how to support the students succeed academically.

Each parent will be **given a ten minutes slot starting at 7.30 a.m. The revised time slot is being shared** along with this circular. We expect you to adhere to the allotted time slot in order to conduct the meeting smoothly.

Please join via the Google meet with the same link which has been provided to your ward to join online classes.

In case your ward has left books/ notebooks in the school, please collect them during working hours of the school, except the day of PTM.

We look forward to **meeting you online** and working together to ensure the best possible learning experience for your child!

Warm regards
