

SMART WONDERS SCHOOL

Rain Walk Class UKG to 2

CONFIDENT COMPETENT CARING

Friday, 2nd August 2024

SWS/ACD/2024-25/51

Dear Parent

Greetings from Smart Wonders!

We are delighted to welcome the rains after the sweltering heat. The dark clouds and the rainbow in the sky is a sight to behold. So we have planned a “**Rain Walk Activity**” in the coming week for our students.

We believe that a child’s initial contact with the environment is through their sense organs and it is through this contact that early learning takes place. The activity is aimed at “learning outside classroom”, where children will accompany their teacher for a walk around the school premises to experience sound and smell of rain, jump in the puddles, see the earth worms wiggling while learning about the water cycle. Kindly send an umbrella and a pair of slippers or crocs in a neatly labelled bag by Monday positively.

If your child has any allergies or health concerns, kindly inform the class teacher in the school Almanac.

Looking forward to an exciting walk together.

Warm regards

Poonamjit Kaur
Principal
