Dear Parent

Greetings from Smart Wonders!

We are excited to inform you that we are organizing a Role Play Activity for our kindergarten students based on the theme of Community Helpers on Monday 30th September 2024. This activity is designed to enhance their understanding of the important roles that various community helpers play in our society, while also developing their confidence and communication skills.

Each child will have the opportunity to portray a community helper of their choice, such as a doctor, teacher, firefighter, police officer, or any other role they are interested in. We encourage parents to help their child prepare a few lines about their character along with the props.

Guidelines for participation:

1. Please ensure your child is dressed in their community helper costume on the day of the activity.
2. Costumes can be simple and comfortable, and homemade options are perfectly fine.
3. Help your child practice a few sentences about their community helper's role, which they will present during the activity.
4. Kindly inform the class teacher if your child requires any special assistance or materials.

We look forward to your child's participation in this fun and educational activity.

Thank you for your cooperation and support in making this activity a meaningful experience for our young learners!

Warm regards

Poonamjit Kaur
