**Fun with Experiments – Class-1**

**Monday, 7<sup>th</sup> October 2024**

**SWS/ACD/2024-25/77A**

**"Curiosity is the wick in the candle of learning."**

Dear Parent

Greetings from Smart Wonders!

We are thrilled to inform you about an exciting activity "Fun with Experiments" which will be organized for the students of UKG to Grade 2 on Friday 11<sup>th</sup> October 2024. This activity is designed to ignite curiosity and introduce children to the wonders of science through engaging, hands-on experiments.

Our little scientists will have the opportunity to explore simple, fun-filled experiments that foster learning and discovery in a safe and playful environment.

Please ensure your child brings along 3 transparent plastic glasses on the day of the experiment.

We are looking forward to an exciting day of learning through experimentation!

**Warm regards**

**Poonamjit Kaur**
