

SMART WONDERS SCHOOL
Fun with Experiments – Class-UKG

Monday, 7th October 2024

SWS/ACD/2024-25/77

"Curiosity is the wick in the candle of learning."

Dear Parent

Greetings from Smart Wonders!

We are thrilled to inform you about an exciting activity "Fun with Experiments" which will be organized for the students of UKG to Grade 2 on Friday 11th October 2024. This activity is designed to ignite curiosity and introduce children to the wonders of science through engaging, hands-on experiments.

Our little scientists will have the opportunity to explore simple, fun-filled experiments that foster learning and discovery in a safe and playful environment.

We are looking forward to an exciting day of learning through experimentation!

Warm regards

Poonamjit Kaur
Principal
