Smart Wonders School
CONSENT FOR APAAR –ID
CLASS 6 TO 10

Thursday,28th November 2024   **SWS/ ACD/2024-25/104A**

Dear Parent

Greetings from Smart Wonders!

The APAAR Id or Automated Permanent Academic Account is a lifelong identification number that will store a student's academic achievements and credentials. It can be used to track academic progress and achievement of your ward. It will simplify record keeping for students, parents and educators. It will ensure accountability, transparency in education and enhance student mobility.

As per guidelines by the ministry of education to create the APAAR-ID for the students for opening the Digi locker Account for your child, you are requested to fill the attached form with the required document and send along with the child for submission to the class educator positively by Thursday, 5thDecember 2024.

Warm Regards

Poonamjit Kaur
Principal
