Dear Parent

Greetings from Smart Wonders!

The House activities for the month of December are as follows:

Friday, 13th December 2024

Classes 3 – Gratitude Chain- The students will write things they are grateful for on slips of paper and create a gratitude chain to display in the classroom.

Class 4 - Kindness Coupons – Create kindness coupons that students can give to their classmates or teachers for acts of kindness, such as helping with a task.

Class 5 – Appreciation cards- The students will make appreciation cards for anyone they want to appreciate, writing a short poem of their own creation.

Winter Woollens drive – Lets come together to spread warmth and kindness to those in need. Bring gently used woollens that are clean and in good condition which will be distributed to the underprivileged and needy in our community, providing them with warmth and comfort during the harsh winter months.

We encourage every child to participate in this noble cause and submit by Monday, 16th December 2024.
