EVS Quiz Class 3 to 5

Wednesday, 8th January 2025

SWS/ ACD/2024-25/117

Dear Parent

Greetings from Smart Wonders!

EVS or Environmental Science forms the foundation to develop reasoning skills in young minds. It provides a lens of logic to perceive the world around and leads students on the path of exploration and self-discovery. It develops scientific aptitude and fosters critical thinking and problem-solving skills in students.

To enhance these skills, **An Inter-House EVS Quiz Competition** is being organized for the students of the Primary Years (classes 3-5).

Students can refer to the following syllabus for preparation:

Class 3

1. India- My Country: Political map of India- States and Capitals, Culture of India, Important Personalities
2. Save the Environment - Pollution, Water Conservation, Water segregation, 3Rs.
3. Water and Air
4. Plants: Parts of a plant, Photosynthesis.
5. Animals
6. Food and Health: Food Groups/nutrients, Sources of food, Human Digestive System, Health and Hygiene
7. Types of Houses and Modes of transport
8. General Awareness and Current Affairs: National and International News and events

Class 4

1. India- My Country: Political map, States, Capitals Landforms, Culture of India ,Important Personalities.
2. Save the Environment - Pollution, Importance of trees for the environment, Forest conservation and Water Conservation, Global Warming
