Dear Parent

Greetings from Smart Wonders!

We strongly believe that healthy communication and collaboration between teachers and parents play a crucial role in the overall growth and success of every child. As our students prepare for their Final Board Examination 2025, a special session is planned to discuss the effective strategies to face the challenges of the board examination. This session will provide valuable tips on staying focused, organized and stress-free during the examination period. **The session is scheduled on Saturday, 25<sup>th</sup> January 2025 from 9:00 a.m. to 10:00 a.m. in the AV hall.** Attendance for this session is compulsory, as important guidelines for the board examination will be discussed which will benefit both the students and parents.

**To further support your ward academically, we invite you to attend the Result Discussion Meeting immediately after the session.** This meeting will provide an opportunity to review your child's performance in the recently held Pre board examination and discuss the areas for improvement.

Together, we can and will continue working towards shaping a bright and successful future for our children.

**Warm Regards**
