Dear Parent

Greetings from Smart Wonders!

We are excited to announce that our little stars have reached a significant milestone in their lives - they are graduating from kindergarten! It is a moment filled with pride and joy as we prepare to send them to a new class in school. We are glad to share that our little wonderites have made us proud with their accomplishments. We take immense pleasure in informing you that we are organizing the Graduation ceremony for the students of UKG on Saturday, 8th March 2025. The Graduation day will be a culmination of your wards kindergarten journey and the report cards will handed over on the same day. Kindly ensure your ward is present for the graduation ceremony. We believe this ceremony will leave an indelible mark on the students as they step into a new class to face the competitive environment.

We look forward to your esteemed presence to cheer our students as they don their graduation caps.

Warm Regards

Poonamjit Kaur
